

GREEN TO WORK

Earn cash for commuting to work when you carpool, vanpool, take public transportation, bike or walk to work – or telework by working from home. **Join the Green to Work (GtW) program!**

What is the GtW Program?

The North Shore TMA will pay you to change your commuting habits! Sign up for our Green to Work program and change your commuting habits as little as 2 days per week for 3 months to earn FREE money. The more you leave your car at home, the more money you can earn.

How do I sign-up for GtW?

You can register for Green to Work online at www.NorthshoreTMA.org or fill out the registration form on the reverse of this card.

How do I receive my incentive?

After registering, download your monthly tracking calendar and log your commute each day. At the end of each month, submit your log to the TMA. After submitting your 3rd log you'll receive your program statistics & incentive reward. Earn up to \$75 during the 3-month incentive program depending on how often you commute using an alternative commute mode.

Can I continue GtW?

Yes! A \$100 random raffle prize will be awarded quarterly (January/April/July/October) to a continuing program participant. The winning name will be drawn from participants who continue to log & submit their commute log to the TMA after the initial program, for 3-consecutive months prior to each quarterly drawing.

The North Shore TMA is funded with support from its members, MassDOT, and the Federal Highway Administration.
