Get Rewards for Greener Trips! Sign-up for NuRide, record your trips, and redeem points for rewards!

What is NuRide?

NuRide is the nation's largest **rewards program** for commuters who take greener trips. NuRide can also help you find a carpool mate.

What is a “greener trip”?

Greener trips are when you don't drive solo and instead choose an alternate transportation mode – bike, walk, carpool, vanpool, telecommute, take public transit (subway, train, bus, ferry) or even work a compressed week. **A greener trip can be a work or personal trip!**

Why NuRide?

NSTMA partners with MassDOT (Massachusetts Department of Transportation) to offer NuRide, a free on-line system allowing commuters to:

1. Record your “greener trips” (when you choose an alternate mode and don't drive solo)
2. Get NuRide points for your trips (up to 200 points each day, including personal trips!)
3. Redeem your NuRide points for rewards (restaurants, retailers, events and attractions)
4. Track your savings (car emissions prevented, gallons of gas saved, money you saved)
5. You can also find a carpool mate or commuter companions

How do I sign-up?

Go to www.northshoretma.org, click on the **NuRide icon**. North Shore TMA member employees can register with either a work or personal email address. **Make sure to use promo code NORTHSHORETMA to receive 1,000 NuRide points just for registering!**

What is NuRide's rewards program?

Members redeem NuRide points for rewards provided by national and local sponsors to thank you for driving less and reducing traffic congestion, air pollution, and greenhouse gas emissions. New rewards are added throughout the year, including restaurant coupons, retailer discounts, and tickets to events and attractions.

Getting rewards is simple, all you need to do is:

1. Get points by taking “greener trips”
2. Redeem your NuRide points for rewards
